## REMARKS

In the November 19, 2003 Office Communication, the Office indicated that Applicant's filing on 9/3/03 was non-responsive because the fax received was not complete, that page 4 of the response was missing, and that the Office did not know which group of claims to elect. On September 2, 2003, Applicant filed a 2page response to the Office Action dated July 31, 2003, a 1-page fee transmittal, and a 1-page facsimile cover sheet. Four pages total were transmitted by facsimile to the Patent Office on September 2, 2003. Transmitted herewith are copies of those four pages, as well as an Auto-Reply Facsimile Transmission received from the Patent Office evidencing receipt by the Patent Office of all four pages of Applicant's September 2, 2003 filing.
